The screenshot displays the 'blue8world - Analyser' software interface. The main window shows a map of Wales with a highlighted area around Harlech, indicating the 30-minute isochrone. The map is overlaid with a grid and various geographical features. The software interface includes a menu bar (File, View, Identify, Class, Object, Analyser, NetMaster, NetAdmin, PDA, Options, Window, Help) and a toolbar with various icons for navigation and analysis. The status bar at the bottom shows the date and time as 16/06/2006 07:56:45.
